PRODUCT CARE

We recommend using a soft rag, either dry or wet. When needed, use ph-balanced soap diluted in water. Do not use abrasive sponges as they may leave scratches. Avoid using acidic products, solvents and products containing ammonia. Periodic maintenance and cleaning allows the products to keep their original look and lengthens the duration of their performance.

WARNING

Do not use the product in an improper way: do not use different cleaning products from the ones mentioned above; do not place hot objects on it, stand on it or use the product as a ladder. Please avoid overloading the upper drawers and 180° rotating for more than a drawer at a time. Maximum weight allowed for each drawer: 3 kg. Once disused, please make sure that this product is disposed in an environment-friendly way.
